Candidates

You are the life of our business and we aim to give you a 360 degree view of your workplace. We have taken the time to select a matrix of clients able to offer something to everyone. The unanimous thread with these clients is strength of leadership, powerful brands and robust platforms.

Clients

We are highly proactive and rotate our vast database of contacts in a work flow management function thus creating huge brand equity and market penetration.

From us you can expect a mix of local candidates, sourced via our research team and by our extensive advertising mediums, as well as a constant flow of overseas talent, all represented by consultative professional team members.

Our business is based on genuine knowledge, experience, quality systems and a unique approach to International staffing

Global Solutions is a pre-eminent supplier to the staffing industry. Through a network of highly experienced Ex MDs and managers from this sector we deliver a powerful, proactive and research driven recruitment service to: in house talent acquisition teams, search firms, boutique and corporate agencies, staffing firms, recruitment outsourcing providers and body shopping / professional services firms.

We have long standing relationships with clients who have been carefully screened to 'genuinely' recruit overseas people rather than waste your time. We boast around 300 existing clients globally, an international database of over 80,000 candidates all fuelled by a powerful research function and over 400 placements of overseas candidates all of whom have capitalised on our international network of offices.

80% of our consultants have relocated to another country, which is why we bring an excellent understanding of their environments, culture, pay scales, style, methodology, background of owners and directors.
